

[Click here for the evaluation results of international students who applied to study in the Fall Semester of the 2024-2025 Academic Year.](#)

- The final registration procedures of the accepted international student candidates who have been evaluated within the scope of "**Ondokuz Mayıs University International Student Admission Directive**" will be made **in person at the institute student affairs unit between 27 September - 03 October 2024**. Those who do not complete the final registration process (including tuition fee) on the specified dates lose their right to register. If it is determined that the documents used in the application are not in accordance with the original after the final registration process, the deregistration process will be carried out.
- Accepted candidates who want an "Acceptance Letter" to be used in student visa procedures are required to send their petitions stating the candidate number, the programme they have been accepted, their name, surname, nationality and the e-mail address of the consulate to which they will apply to lisansustu.destek@omu.edu.tr until **03 October 2024**.
